

In pandemic, the lesson to be retained is the republicans serve themselves and the riches. They don't care about anyone or anything else. However, without the middle class and the poor, they can succeed. So we need to stand up to them and work with **Beto O'Rourke**. Help him by voting for him. Together let fight for a better life.

En pandémie, la leçon à retenir est que les républicains se servent eux-mêmes et les riches. Ils ne se soucient de personne ni de rien d'autre. Cependant, sans la classe moyenne et les pauvres, ils peuvent réussir. Nous devons donc leur tenir tête et travailler avec **Beto O'Rourke**. Aidez-le en votant pour lui. Ensemble, luttons pour une vie meilleure.

*)

Beto O'Rourke @BetoORourke

We'll be paying up to \$50 more per month on our utility bills b/c Abbott failed to manage the grid.

That's the ABBOTT TAX we're being forced to pay to clean up his mess.

Now his appointees at the Utility Commission are trying to hike our bills even more.
