

16 million tests come from federal authorities, but they are tightly limited by #bcpoli, which sticks to its priority areas, yet Canadians pay federal and provincial taxes. Now they also have to pay for the failure to manage the pandemic of criminal bandits in power? listen, raise your voice, tests and masks are important to you. In the USA, Biden supplied them directly to Americans. Point.

16 millions de tests viennent des autorités fédérales, mais ils sont étroitement limités par #bcpoli, qui s'en tient à ses domaines prioritaires, pourtant les Canadiens paient des taxes fédérales et provinciales. Maintenant ils doivent payer aussi l'échec de la gestion de la pandémie de bandits criminels au pouvoir ? écoutez, élevez la voix, les tests et les masques sont importants pour vous. Aux USA, Biden les a fournis directement aux Américains. Point.
