

Friends don't be discouraged, the battle continues. We are going to work harder on the ground and have an eye on where our taxes go and protect our rights. never forget that if you will, you can and union is strength. Harass this **incumbent** Danny Davis and Rep Hakeem Jeffries for their force to help the community, and show people who they are.

Mes amis, ne vous découragez pas, la bataille continue, nous allons travailler plus dur sur le terrain, avoir un œil sur comment nos impôts sont dépensés, protégez nos droits, n'oubliez jamais que vouloir c'est pouvoir, l'union fait la force. Harceler ce **titulaire** Danny Davis et le représentant Hakeem Jeffries pour les forcer à aider la communauté, et montrer aux peuples qu'ils sont.

\*)Kina Collins : Thank you to the people of #IL07.

I love my city. Our fight has just begun & they can never ignore us again.
