

Wanting is power, if the world wills, and having the determination to put the health of our communities first, schools, like **Abrome**, a self-directed education community in Austin, **Texas**, we can ending the pandemic soon is simple, cut the transmission of covid-19 in school, in your neighborhood, ignore the fools, **be brave instead of slowly dying, unite**, do what is necessary to help your loved ones, your neighbors not to get sick. Put pressure on your local MPs to provide you with masks, etc... especially in Canada where Trudeau has given money to the provinces... Vouloir, c'est pouvoir, si le monde le veut et a la détermination de donner la priorité à la santé de nos communautés, des écoles, comme d'**Abrome**, une communauté d'éducation autogérée à Austin, au **Texas**, nous pouvons bientôt mettre fin à la pandémie. c'est simple, coupez la transmission du covid-19 à l'école, dans votre quartier, **ignorez** les imbéciles, **soyez courageux au lieu de mourir à petit feu, unissez-vous**, faites le nécessaire pour aider vos proches, vos voisins à ne pas être malades. Mettez la pression sur vos Députés locaux pour vous fournir des masques, etc... surtout au Canada, Trudeau a versé de l'argent aux provinces... \*) Dr. Nili Kaplan-Myrth MD PhD : Now's the time to act, for a **#SafeSeptember**. Every board of education and public health unit can recommend masks in classrooms, but unless it is broadly mandated and N95s are supplied, it won't happen. Same with masking in all workplaces, shops, indoor spaces. **#COVIDisAirborne**

\*) <https://twitter.com/DrKateTO/status/1549762419752374272> ( ' We have municipal elections in October. I hope to see trustee candidates respecting science and supporting the return of masks to schools to help stop the spread of COVID19. Let's help kids have a safe, healthy, uninterrupted, in-person school year. #onted ' )
