

Let's not wait for the Democratic leaders, it's up to us to lead the fight against Trump 2.0! **Dean Obeidallah** is right, **Friends**, listen to the interview of **Dean Obeidallah** with **Ezra Levin**, the co-founder of Indivisible, who gives specific instructions on how to take the fight to Trump 2.0 : "we should push our governors and their state legislatures to actively stand as a bulwark against what comes from Trump 2.0.", and send 2 more message : first, let's send the message en masse to the fake democrates like Representative Jim Clyburn, Senator John Fetterman, "shame on them", we didn't elect them to be traitors. second message to Biden, Harris , "We have enough information to condemn Trump and every single appointment that Trump has made so far. And the only ones to gain status will be those recruited by Putin and pushed through by Trump. He must be disqualified because he is violating the constitution, and he's also guilty of election fraud". So, **Biden, Harris, Chuck Schumer** and other democratic leaders should apply the rules, the law, the constitution, and hold press conferences to assure the people that the 2024 American elections were stolen, and denounce the bullshit of Trump and his gang of thugs. Friends, remember what obama teach us: "Change will not come if we wait for another person, or if we wait for another time. We are the ones we wait for." via Dean Obeidallah, @deanoheidallah, @mikusthewriter, @susan.mccuaigwalker, @theunclemark, @timothysnyder, @lasirenaaaaaaaa, @howroute, @alex.nick.jungle, Alexander S.
