March On Washington December 10, all day, and every day, **until justice is served**!

We can't wait any longer, so December 10th has been set for the day the People will March on Washington. Be there or be square.

At The Washington Monument, at sunrise, all day until sunset; and the next day,

and the next day

and the next day

Until The People are heard.

We never agreed to a regime change!

Especially, **we have the evidence of the large-scale electoral fraud** , that ensured the criminal felon Trump's victory.

important point

1-Note: Ballots with chips are those where voters vote for a candidate - in this case, **the president** - and do not fill out the rest of the ballot.')

2-Harris must swing states **3**/7 . while the result clearly shows us that there is an anomaly in the results (as the percentage of ballots with chips is around 1%. This trend is kept constant in the 43 non-swing states in the 2024 election. However, the percentage of ballots with chips is not only abnormal in the swing states for the criminal Trump this year - it is off the charts according to Rachel Donald/planetcritical.com), as the result shows us Idaho, Oregon, Utah have the percentage of ballots with chips below 1%, as they are not swing states, Friends...
