Tuesday, November 3, 2026 : There's more than one reason to vote Democrat; **it's also in your own best interest.** Vote to reclaim power and impeach the convicted criminal Trump; dismantle the pedophile ring; and restore the rule of law. The United States should be a country—a democracy—as so many Americans have dreamed it to be… So, my friends, there are always opportunists, like Haley Stevens, the US senator from Pennsylvania, but it's up to us to be well-informed and to denounce them… Let's focus on mobilizing people to go vote and vote for the Democrats

Mardi 3er novembre 2026 : Il y a plus d'une raison de voter démocrate ; c'est aussi dans votre propre intérêt. Votez pour reprendre le pouvoir et destituer le criminel condamné Trump ; démanteler le réseau pédophile ; et rétablir l'état de droit. Les États-Unis devraient être un pays – une démocratie – comme tant d'Américains l'ont rêvé… Alors, mes amis, il y aura toujours des opportunistes, comme **Haley Stevens**, **le sénateur fédéral de Pennsylvanie**, mais c'est à nous de nous informer et de les dénoncer… Donc. Il faut se concentrer sur la mobilisation des gens pour qu'ils aillent voter et de voter pour le Démocrates.

*1)**Christopher Webb** : This is some next-level political fuckery. Let's be clear, this is a campaign event. 2 days before Election Day, **Haley Stevens**, who lost the Democratic primary to Abdul El-Sayed, is attending church with his Republican opponent, Mike Rogers.

2)**Anders Åslund** : If the US had the rule of law, Trump would be impeached and actually ousted for collusion with Russia and large-scale corruption with foreign powers.

3) **Nancy Levine Stearns** : Sen. **Wyden** said Donald Trump is putting kids at risk of falling into "horrific cycles of trafficking" and the new ICE facility for unaccompanied children in Louisiana "will be another black box location for the **Trump administration to disappear migrant children**"

4) **Raider** : October 23, 2026: a car left the MDC with two children. The children had no seat belts, and the driver was leaving erratically. It is unclear if they were family or detainees, but **usually parents don't bring children to a prison at 10:30 on a Friday night**.
